

SCAT INDIA TRADESHOW 2022 DELIVERS A BLOCKBUSTER EVENT

The SCAT India TradeShow 2022 was a blockbuster event held under the NM India banner and after two years of pandemic. There was action and an eclectic buzz all across with a good turnout of delegates from across pan India over three days.

The Show featured the biggest of the brands and exhibitors networking with key customers. The show had trending conference sessions along with latest technology and product presentations.
