TESTIMONIALS

"SCAT India TradeShow provides a great platform to showcase our products, understand customer demands, meet industry leaders and much more. The show is relevant to not only broadcasters but also the service providers and OEMs like us. We look forward to being back again next year!"

Pankaj Sodhi
 Director Sales, Syrotech

"This is the biggest platform for the Satellite, Cable TV, IPTV and the Broadband market. For the last 30 years, we have been a part of SCAT India TradeShow and every year it brings something new and relevant in terms of meeting newer clients, sharing industry insights, meeting industry leaders and much more. We are really happy to be here and it has been a great show."

Devchand Haria
 Managing Director, Optilink
